## Composite / Sub Assembly

---

Location: Bicester, Oxfordshire  
Contract: 6 Month Contract  
Salary: Competitive Rates

### **About the role**

Due to increased requirements a second Composite trimmer fitter with mechanical/sub assembly build experience is required at KWSP for a 6 month contract from mid – March 2020. KWSP is a small friendly team located on the Bicester Heritage Site in Bicester which provides an outstanding work environment.
